Title: Medicaid Information Technology Architecture (MITA)
State Self-Assessment

The State of Washington, Department of Social and Health Services (DSHS) intends to issue an RFQQ for conducting the State's Medicaid Information Technology Architecture (MITA) State Self-Assessment (SS-A).

The MITA SS-A begins with validation of the "As Is" Business Process descriptions with internal and external stakeholder groups, and documentation of the "As Is" business. The contractor will be responsible for mapping Washington's Current Business Model to the MITA Business Process Model and assignment of MITA maturity levels. The contractor will perform this analysis and mapping, and will provide associated analysis and findings to create deliverable(s). The contractor will prepare a System and Technical Capability assessment and prepare a final MITA Self Assessment Report.

Work is expected to begin on any contract resulting from this procurement in June 2010 and to be completed by March 31, 2011.

The successful bidder shall have demonstrated experience with MITA SS-A and government health and social service agencies. Experience and knowledge of Washington's Medicaid environment and Medicaid Management Information System (MMIS) is considered desirable.

RFQQ #1034-369 will be issued on or about April 8, 2010 and responses will be due on or about April 29, 2010.

This notice and all documents relevant to this procurement will be available at the DSHS Procurements website at <http://www1.dshs.wa.gov/msa/ccs>. (WEBS address <https://fortress.wa.gov/ga/webs/>)
